MODELS 4850-EP AND 4850 18 1/2" CUTTERS

Model 4850-EP programmable

Model 4850 fully automatic

THE TRIUMPH 4850-EP AND 4850 OFFER HIGH SPEED PRODUCTION AND TOP SAFETY FOR STOREFRONT AND FRANCHISE SHOPS.

4850-EP keypad features 9 preset programs with up to 9 steps each.

TRIUMPH 4850-EP FEATURES

- Power back gauge and programmable keys save time and maximize efficiency for small quantities and frequent changes.
- Digital display with indication accuracy of 0.01" and electronic hand wheel allow for fine adjustment of back gauge.

TRIUMPH 4850 FEATURES

- Easy-to-read measuring scale on front table and hand crank to set back gauge.
- Four side guides for exact paper alignment.

BOTH MODELS

- Electro-mechanical drive for blade and clamp delivers increased speed with push-button ease.
- Optical cutting line for easy sight trimming.
- Automatic knife return from every position.
- Automatic clamping system can be used independently from blade and applies firm pressure along entire cutting length.
- Safe, true two-hand operation. Safety guards on front and rear tables.

OUR PROMISE

MBM has been a well-known and respected leader in the paper handling industry since 1936. We attribute our success over the years to providing customers with three simple things: a quality product at a good price, superior technical support and the best service in the business.
